

SPECIAL PROMOTION

INSIDER / MEET

Ariana Smetana

We invite you to come with us to places where design inspires you to morph your surroundings into fascinating, purposeful environments that function, flow, feel and provide an elevated state of mind. We curate for you a selection of distinguished and exclusive portfolio of brands that are distinctive in their style as they are in their allure. Such brands are synonymous with tradition, nobility, innovation and luxury craftsmanship.

Ariana Smetana, Design Principal & Founder is known as a lifestyle interior designer and a tastemaker whose impeccable style and keen eye for design extends beyond interiors. Her design sensibility has been influenced while living and working in Europe most of her life, as well as from her extensive travels to places filled with multi-cultural influences and diverse architectural styles within the U.S. and globally.

artVIA's team is able to incorporate clients' lifestyle into every design, while creating stunning spaces that are seamlessly tailored to each client's individual taste. We are adept in fashioning bespoke sophisticated looks that evoke both past and present. The spaces we create skillfully fuse modern and contemporary elements into classically inspired styles to create a timeless design. From commercial to residential design, artVIA team's delivers the expertise necessary to elevate your lifestyle! 832.260.5570, www.art-via.com

» *Our design philosophy is about an art of things chosen well rather than often.*

artVIA offers bespoke handcrafted pieces for your interiors that are expertly curated from our local and global sources. We also offer a distinctive opportunity to create a unique custom design piece just for you.
